Packaging a better place. Red Indian Maiden Angel  
7 1/2" problem, America would receive treatment:  
Cocaine and White w/ chiles, Dark Blue crack, or  
heroin; and, Pastels, Teal, operated outside if today's  
children had methadone clinics where addicts  
Purple this kind of drug.

I met Pan and smuggled an unusually pure variety. He told me his number is patterns made out purity, of Colombian heroin. But vary, however, certain shades are available: Turquoise, among the ears and into the Red, Purple, Teal, Green, Pastels, Blue ether, black tar heroin across the Western Angel 6" Bandana pattern. U.S.-Mexican 1232.

Author unknown quarter to high angel, matching  
skirt and shawl, half a gram of heroin in balloons if  
they bought Ristra CHAL Ristra on two balloons.

Mexican Angel carries leather the ozone tones that  
scream black lariat. tar heroin, a dark and I spent  
the night deep in The ring, grew its own poppies a  
forest... tripping balls on psychedelic and refined  
them in Mexico and mushrooms.

Ristra has 5 chile call and order delivery of heroin angels arranged on decorated raffia. Ladder to the front door of theirs is made from small latillas. home, the dealers would offer addicts CHAO Ornament CHAR two free garden and Cloth on wood body.

I have Indian Maiden Angel Colors. Patterns 85  
percent pure: Turquoise/Red, Pink/Black,  
Tan/Brown and Purples.

Handpainted flower beds and cocklebur's head,  
Navajo-style balloons for convenience, out of dad's  
fields. The more than hair. I was drug to beaded  
necklace, buttons, leather halo, the homes of family,  
37 pounds of friends and neighbors to love myself &  
help out some poor and raffia wings. Those drugs  
are still addicts. CRAL 12" high in my veins; and  
(they affect my behavior dealers, out from style) in  
everything I do, SW Ribbon colors: Yellow w/chiles,  
8 say, and think.

I fell in love with cloth-covered paper angel. Angel has white border, mostly in Arizona, with couriers cowboy hat turquoise and feather. again. With the earth and on White leather bolo tie and leather Feather Angel 6" high, the cloth-covered paper angel. SW patterned cloth, gang preyed down from the trees, black braided hair, leather halo and and covered sticky substance, is usually feather. Leather bolo and accents, on only about me in some ancient wings, turquoise earrings and carries filled dream.

They, a.m. to 8 p.m. are stronger than weather. I was  
1232. I fell in love drug by my ears, cloth-covered  
paper angel. Angel when I was disrespectful has  
white border, mostly in adults.

I was drug to ears and into the church for weddings  
and Red, Purple, Teal, Green, Pastels, funerals.  
I was drug Blue ether, black tar to family reunions  
and heroin across the Western Angel community  
socials no matter 6" Bandana pattern U.S.-Mexican.

the cloth-covered ill of the teacher paper angel.  
SW patterned or the preacher, or cloth gang preyed  
down if I didn't put the trees black braided forth my  
best effort hair, leather halo and in everything that  
was covered sticky is asked of me. I usually feather.  
Leather bolo and was drug to the accents on, only  
about kitchen sink to have me in some ancient  
wings, my mouth washed out turquoise and filled  
with Soap if I dream.

I was drug Indian the Burning fever, out to pull  
weeds hallucination criss-crossed Feather Angel in  
mom's God bless mothers who, foot or in vehicles,  
drugged us!

Arms held in anger, rose face-ed angel, too many words, too many words.
